TAKE THE STAGE AT INNOVATIONS THEATER

International Car Rental Show is truly a world of possibilities, and you can take advantage of them by purchasing a slot at Innovations Theater. This “session” is a major opportunity to get in front of engaged attendees, your potential NEW customers. Perform a product demo or showcase your new technology or services or even launch something new. This is dedicated time to wow attendees with the infomercial you may not be able to perform within your booth. Oh, and we put it on the official show schedule too!
